

For 35 years, been committed to improving lives for people in Lancaster County as a volunteer or professionally. Over the years, I have been fortunate to work with a talented team of people at LGH, and lots of dedicated community partners. The accomplishments below are a reflection of that collaborative work. Currently, I am the Executive Director, Community Health, Lancaster General Health.

- Lead Administrator for COVID-19 Contact Tracing Center with oversight for 68 employees. This center managed 114,542 COVID-19 calls estimated 70% of Lancaster County COVID-19 test results.
- Co-Lead Administrator for two (2) mass County COVID-19 testing sites at PA College and Clipper Stadium (over 12,400 people tested)
- Lead Administrator for COVID-19 vaccine outreach at churches and fire halls focused on reaching people of color and vaccine-hesitant populations. Including vaccination for elderly and home-bound individuals.
- Lead Administrator for School COVID-19 consulting services. Conducted 3 separate weekly meetings from August 2020 to May 2021 with School Superintendents, Human Resources Administrators and School Nurses.
- Facilitated a County-wide Access and Equity Coalition of experts and people with lived experiences to provide guidance for equitable COVID-19 vaccine distribution to black, brown, and rural communities.
- Oversight for multiple Community Needs Assessment and the planning, implementation, and evaluation of community health improvement initiatives.
- Developed Lancaster General Health's first Ambulatory Care Management Program focused on meeting patient's social determinants of health needs - such as housing, food, and transportation.
- Expanded pre-natal program (Healthy Beginnings Plus), now serving about 1,000 pregnant, low-income women a year.
 - Recipient of seven state awards.
- Implemented evidence-based home visitation program (Nurse Family Partnership) serving over 300 first-time low-income mothers/year.
- Oversight for adult and childhood immunization outreach clinics.
- Implemented free PAP and mammography program (Healthy Woman Program) for low-income women.
- Lead Administrator for the development of a Refugee Health Clinic.
- Initiated and facilitated multiple coalitions to address significant community issues, including: Lighten Up Lancaster Coalition (addressing obesity), Harm Reduction

Coalition, Lancaster Refugee Health Network, Lancaster County Lead Coalition, Let's Talk, Lancaster (Mental Well-Being Collaborative), Joining Forces Coalition (reducing deaths from opioids/heroin), and south Central PA Awareness Coalition (facility physicians from multiple counties to network as they implement evidence-based practices to help people with substance use disorder)

- Lead operational administrator for Project Access Lancaster County (PALCO) start up – organized County-wide volunteer physicians to provide free care for people who are income constrained and uninsured prior to PA Medicaid assistance.
- Co-led development
 - Lancaster County Children's Alliance – the Sexual Assault Center of Lancaster county
 - Employee Wellness Program, which own national Recognition / Gold Well workplace designation from Wellness Council of American (WELCOA)
- Founding Member:
 - Lancaster County Sexual Assault Forensic Examination Program (SAFE) – 1st program in the county where victims of sexual assault could be treated – evidence properly collected and multi services available for support.
 - Lancaster County Children's Alliance (child sexual assault center)
 - CASA (Court Appointed Special Advocates) Lancaster County

Director, Child and Maternal Health

Operational responsibility for Women and Children's Health (including Pediatrics, Labor & Delivery, Post-Partum, Level III NICU & GYN unit) and Center for Wellness; managed over 400 employees and budgets in the millions. In addition to outpatient programs focused on meeting the needs of low-income pregnant women to ensure a healthy pregnancy, delivery and in the case of Nurse Family Partnership, increase self-sufficiency for the mother and the child over a lifetime.

Wellness Coordinator

Developed the Wellness Center at Lancaster General providing wellness/health promotion services for LG employees, over 100 Lancaster County companies and the community.
